

# Make a Difference *Through The Circle of Hope*

2010 Graduates and Instructors

## Become a Circle of Hope Leader

Forming a Circle of Hope is a way for caring people to donate and raise funds to provide a scholarship for a deserving woman to attend *Leadership Transformation* a year-long life changing program.

We believe that every woman deserves a second chance to create a successful future. We help women who have experienced domestic abuse, addiction, and other significant challenges, rebuild their self-confidence, self-esteem, and their direction in life.

### Your Circle of Hope Will Change a Woman's Life

**A Circle of Hope** is a gathering of your close friends, family, and colleagues, who want to give a gift of meaning and significance. **By raising \$2,500 or more, your Circle of Hope becomes the sponsor of a woman through our year-long program in San Diego.**

**By your participation and support**, you become part of the *Leap to Success* community and are invited to attend private events throughout the year so that you can see and feel the good that your gift has given.

**A Circle of Hope** is much more than money. It is your love, your legacy and your empowerment. It is hope for the future to help a woman and her family, change their lives forever.
